Agenda Management Solution

AgendaQuick™ is a web-based agenda management application designed to simplify the agenda process from start to finish.

A program built from the ground up with the features and tools professional agenda managers helped us create.

Agenda automation is not just about paperless copies or posting agenda packets. It's about improving the entire agenda process by saving time, reducing costs, and making everyone's job easier.

Let us show you how it works.
Call us to discuss your requirements
and to schedule an online demonstration.
(480) 661-5629

Easy to Use Features and Tools

Customizable Templates

Allows you to replicate your current paper forms, or design new ones

Variable & Fixed Routing

Gives the user and the administrator the ability to move documents easily throughout the organization for approval and review

Electronic Attachments

Quickly add supporting documents, maps, photos, and more

Auto-renumbering

Easily add or update agenda items and your agenda automatically renumbers

Recycle Bin & Copy Function

Move or copy agenda items from one meeting to the next

Scheduling and Cutoff Functions

You control the agenda item process

Contracts Tracking

Track expiration dates of contracts and other time sensitive documents within the Attachment feature

Monitoring the Status of Items

The system provides a 'Status' feature that tracks the approval process and indicates where the item is at any point in time.

Why do Clients Chose AgendaQuick

The **AgendaQuick™** agenda management solution offers a new approach to agenda management; a simple, affordable, easy to use solution, backed by phenomenal support.

AgendaQuick handles the entire agenda process from agenda item submittal, to approvals, to building the agenda, to publishing all agendas and meeting content on your website. And, you can add SuiteOne, or other meeting webcasting solutions, to the AgendaQuick agenda management solution at any time.

Why do so many cities, towns, counties, boards, agencies, and districts chose AgendaQuick? See what our clients say:

City of Billings MT

"The City of Billings has been using AgendaQuick since late in 2009. Of course before that time agendas were prepared manually, and it was a very cumbersome process. AgendaQuick has saved the clerk's office many hours through automation and aided in keeping information and form consistent. It is very user- friendly and the customer service from Destiny Software is unparalleled! They can walk us through anything and do so happily."

Gila County AZ

"Gila County has been using the AgendaQuick system from Destiny Software Inc. for the past six years. I want everyone to know that it is the excellent customer support provided by the owners and employees of this company that shines above all other companies... I always feel like I am their most important customer!"

Town of Greenburgh NY

"AgendaQuick has saved our office so much time in both agenda and minutes preparation. What once took days to accomplish now takes a few hours. The customer service provided by Destiny Software is second to none. We highly recommend the program."

City of Copperas Cove TX

"The Destiny Software support team is the BEST! There is a comfort level knowing that if I encounter a situation that I am not able to resolve on my own, the team will be there."

City of Flagstaff AZ

"Destiny Software will work inordinately hard to make sure you're happy with your end product. Their support doesn't end when you're up and running. They work with a lot of agencies, but it seems like you're their only customer due to the patience, care, and attention they give you."

City of Fort Pierce FL

"We love our AgendaQuick system and Destiny Software provides the best support that I have ever experienced! The software did everything they promised and seamlessly integrates with our website and video hosting program. We now use the software for all of our Boards and Committees."

Solution Pricing

We offer simple, straightforward pricing. Your cost for the AgendaQuick agenda management solution includes a one-time Implementation Fee and an Annual Managed Services Fee.

With AgendaQuick, all organizations, regardless of size or number of meeting types, can afford professional agenda management. You are not shoe-horned into a one size fits all solution, and you are not forced to pay for features you do not need or cannot afford.

AgendaQuick includes unlimited users and meeting types. For clients who have a limited number of meeting types (less than 6), and for Special Districts, and small organizations (cities/towns/counties/agencies, etc.), we offer a discounted Managed Services Fee.

Up to 5 Meeting Types	Unlimited Meeting Types	Special Districts and Small Organizations Up to 5 Meeting Types
Annual Managed Services Fee \$4,788 (\$399 per month)	Annual Managed Services Fee \$5,988 (\$499 per month)	Annual Managed Services Fee \$4,188 (\$349 per month)
One-time Implementation Fee \$2,750	One-time Implementation Fee \$2,750	One-time Implementation Fee \$2,750

What is included in the Implementation Fee?

The Implementation Fee includes the initial setup and design of the agenda management solution based on your needs, setup of both a training and production database, template design, work-flow configuration, and online user training. Onsite training is available for an additional cost.

What meetings are included under a meeting type?

ALL meetings for a particular meeting body (council, board, committee, etc.), including regular meetings, special meetings, work sessions, etc., are included as a meeting type with AgendaQuick.

Are the features of AgendaQuick solution limited for small organizations, or organizations with only 1-5 meeting types?

No. Unlike other solutions, all AgendaQuick features are available for all organizations, regardless of size. We do not de-feature AgendaQuick.

Will additional features require me to move to a more expensive package?

No. Additional features and capabilities will be either added at no cost or provided a la cart. You only pay for what you need.
