

Saving Your Word Document Without Bookmarks

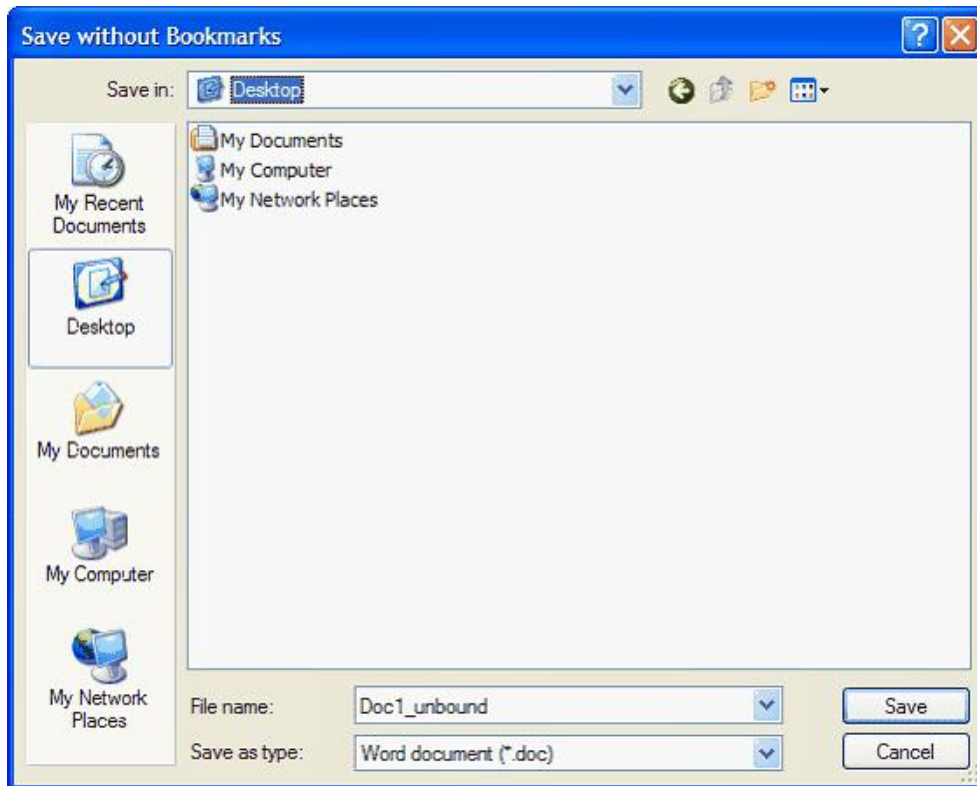

You can save a copy of your Microsoft Word document that does not include any of its bookmarks. This may be useful once the minutes of your meeting are complete.

To save a copy of your document without bookmarks, take the following steps:

1. Save all of your changes in the document.

2. Click the  **Save without Bookmarks** button on the Microsoft Word toolbar or ribbon. The following dialog box appears:

3. Choose the location and file name you want to use to save the file, and click **Save**.
